## Letter to All Campers!

As you well know, some of us have been known to have brushes with the law on our way home from parties over the years. A couple of nights ago, I was out for a few drinks with some KRC friends and had a few too many beers and nice wine. Knowing full well I may have been over the limit, I did something I've never done before — I took the bus home. I arrived home safely and without incident, which was a real surprise, as I have never driven a bus before and I am not sure where I got this one!

Signed — Troy Worley

## WOW—THANK YOU!

A big "thank you" to all of the people who added the drop ceiling to the upper shelter and fed the workers in the process. The added insulation and ceiling will make the shelter warmer in the winter and cooler in the summer. The ceiling was added through donations of money, talent and time from a group of people who love KRC.

We really appreciate you!

## AUTO STICKERS AND VISITORS' PASSES

All campers need to stop by office to get auto stickers to display while on the campground. If you have a guest visit the campground, make sure they stop by the office for a visitor's pass.

## EXTRA CHARGE FOR GUESTS

If you have guests that stay with you, there is a \$5.00 per person per night charge! Grandkids are exempt from this charge. If you have any questions, please see Gleta!

## IF YOU WANT TO CHANGE SITES.....

If you wish to change sites, it is ultimately your responsibility to make sure that your Camper, as well as any awnings and slide-outs, will fit on the new site and not infringe on the sites beside you. Some sites will take bigger campers while other sites may be too small. Management will assist in making that determination.

A site list is kept by Gleta Edwards, KRC manager. A copy of the site list is also kept by Mackey!

If you are interested in getting a different site at KRC, please stop by and put your name on the list. Once the site becomes available, the list will freeze and persons on the list will be contacted. The first ones to be called will be shareholders. If no shareholders want the site or there are no shareholders on the list, non-shareholders will be called. If a non-shareholder gets the site, and it is not a shareholder site, then that camper can stay on that site as long as they pay the monthly fee and deposit for the following year.

Call Gleta if you have questions!

## NEWSLETTERS FOR 2012

It is our goal to send a newsletter by the last week of each month to let everyone know what is happening at KRC and to let you know about events that will be coming soon! If you have any ideas for the newsletter, please put them in writing and give them to Mackey or Martha. The newsletters are produced and mailed at no cost to the campground.

Any help you can give on the cost of mailing this newsletter would be appreciated.

If you would like to contribute for 2012, see Mackey. Thank you!

## CONDOLENCES

Our condolences to the family of Billy Kelley who passed away last week. Billy was a long-time shareholder who was very involved in KRC until his health started to fail. We will miss Billy very much.

If anyone has a prayer request, birthday, anniversary, birth announcement or anything else you would like to tell about in the newsletter, please let William Mackey or Betty Whittaker know. It would help for you to put it in writing and give it to them

—Thanks!

## CALENDAR OF EVENTS

### 2012 EVENTS

Be thinking about events you would like to see happen in 2012. Volunteers to sponsor events would be very appreciated.

## KRC WEBSITE AND FACEBOOK PAGE

If you have pictures for events, please help out by giving Kathy Vance a CD of the pictures. We are updating the website and it's looking great!

Also, Amy Sadler created a Facebook page for KRC. If you are on Facebook, search for KRC and be a "friend." She's already adding great announcements on the page.

## GARBAGE

IT IS THE CAMPER'S RESPONSIBILITY TO TAKE YOUR GARBAGE TO THE DUMPSTER. SOMETIMES RUSS WILL COME AROUND PICKING UP GARBAGE, BUT PLEASE DON'T LEAVE IT ON YOUR SITE FOR ANIMALS TO GET INTO AND MAKE A MESS!

## DISCLAIMER

All mistakes are there for a reason. It tends to make everyone happy and I aim to please.

## NEED HELP WITH UPPER SHELTER IMPROVEMENTS!

Donations are still being accepted in the office for renovations to the upper shelter. The ceiling is complete and the walls will be next.

Chris Buford has agreed to insulate and install walls in the shelter if materials are provided. Our goal is to add the walls during the weekend of March 3 so your donations would be appreciated.

If you're willing to help with the renovations, let Chris know. Thanks!

## ...WHO AT THE CAMPGROUND DOES THIS REMIND YOU OF.....

This is the story of the poor blonde flying in a two-seater airplane with just the pilot. He has a heart attach and dies. She frantically calls a May Day: "May Day! May Day! Help me! Help me! My pilot had a heart attack and is dead and I don't know how to fly. Please help me!"

"This is the tower. I have received your message and I will talk you through it. I've had a lot of experience with this kind of problem. Now, just relax and everything will be fine! Now give me your height and position." She says, "I'm 5'4" and in the front seat."

"Ok, says the voice from the tower, "Repeat after me: Our Father, who art in Heaven....."

## IMPORTANT- PLEASE TAKE NOTE!

If you make improvements to your camping site—trees, flowers, bushes, pavers, concrete pads, borders, mulch, etc., these items must stay with your site if you move to another one or move off for the winter.

When these items are removed, what's left are holes that can be dangerous for walking and dirt that gets muddy when it rains.

Please be courteous to the next camper when you leave your site.

Thank you.
