Any help you can give on the cost of mailing this newsletter would be appreciated.

## PARTS ORDERED BY KRC

Please note — if you ask KRC to order a part or item for your RV and it is a special order, please note that special orders must be paid in full before the special order can be made. If you have any questions, please contact a Board member. Thanks.

## Daily Thoughts

- Avoid cutting yourself when slicing vegetables by getting someone else to hold the vegetables while you chop.
- Avoid arguments with females about lifting the toilet seat by using the sink.
- A mouse trap placed on top of your alarm clock will prevent you from rolling over and going back to sleep after you hit the snooze button.
- If you have a bad cough, take a large dose of laxatives. Then you'll be afraid to cough.
- You only need two tools in life—WD 40 and duct tape. If it doesn't move and should, use the WD 40. If it shouldn't move and does, use the duct tape.

## Memories

One day, long, long ago, there lived a beautiful woman who did not whine, nag or bitch. But that was a long, long time ago and it was just one day!

## At a Backwoods Bar

A guy walks into a bar in the backwoods of a southern state and orders a mudslide. The bartender looks at the man and says, "You ain't from around here are ya?" "No," replies the man. "I'm from Pennsylvania."

The bartender looks at him and says, "Well, what do ya do in Pennsylvania?"

"I'm a taxidermist," said the man. The bartender, looking very bewildered now asks, "What in the world is a tax-e-der-mist?" The man says, "I mount animals." The bartender stands back and hollers to the whole bar....

"It's okay boys, he's one of us!"
