BAD HUMOR

WHY A GUN IS BETTER THAN A GIRLFRIEND:

1. You can trade in your old 44 for a new 22.
2. You can have one gun at home and another when you're on the road.
3. If you admire a friend's gun and tell him so, he'll probably let you try it out.
4. One gun doesn't mind if you keep another gun for a backup.
5. Your gun stays with you even when you run out of ammo.
6. Guns don't take up much closet space.
7. Guns function normally every day of the month.
8. Your gun will never ask, "Do these new grips make me look fat?"
9. A gun doesn't mind when you go to sleep after using it.
10. AND, you can buy a silencer for a gun.

Gone Fishing!!!!

Last Saturday morning Mackey got up early, put on his long johns and dressed quietly. He made a lunch, grabbed the dog and went to the garage to hook up the boat to the truck and down the road he went. It started pouring rain mixed with snow and the wind is blowing 50 mph. Minutes later, Mackey pulled back into the garage and went back into the house. He turned on the TV and found out it was going to be bad weather all day long so he quietly undressed and slipped back into bed. There, he cuddled up to Martha and with different anticipation whispered, "The weather out there is terrible." Martha sleepily replied, "Can you believe my stupid husband is out fishing in that?"
