### LOTS AVAILABLE

The following lots are available for 2009: **70, 71, 72**  
If you need a lot, please see Viola as soon as possible.

### Diet Advice

A doctor was addressing a large audience in Tampa, Florida. "The material we put into our stomachs is enough to have killed most of us sitting here years ago. Red meat is awful. Soft drinks corrode your stomach lining. Chinese food is loaded with MSG, and none of us realize the long-term harm caused by the germs in our drinking water." Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?"  
After several seconds of quiet, a 75-year old man in the front row raised his hand, and softly said, "Wedding Cake!"

### HELP!!

Mackey and Martha need your help. We have 1,500 Easter Eggs missing at the campground. If you could purchase 2-3 dozen and fill them with candy for the April 4 Easter Egg Hunt, it would be appreciated! THANKS!

### THANK YOU!

Thanks to Barry and Sherry for the use of their motor home and personal generator during the ice storm. Also, thanks to everyone who pitched in and helped out with the campground when the electricity was out!

## BAD HUMOR Two Quickies

### Dusty Skivvies

One morning Russ took a pair of underwear out of the drawer. "What the heck?" he said to himself as a little "dust" cloud appeared when he shook them out. "Viola," he hollered into the bathroom, "Why did you put talcum powder in my underwear?" "It's not talcum powder, she shot back. "It's Miracle Grow."

**That's hitting below the belt, hee hee!**

### Ain't It The Truth!

GJ asks his son, Joseph, if he knows about the birds and the bees. "I don't want to know!" Joseph said bursting into tears. Confused GJ asked his son what was wrong. "Oh Dad," he sobbed, "At age six I got the 'there's no Santa' speech. At age seven I got the 'there's no Easter Bunny' speech. Then at age eight you hit me with the 'there's no tooth fairy' speech!" "Now if you're going to tell me that grownups don't really have sex, I've got nothing left to live for!"

## DID YOU KNOW???

The first couple to be shown in bed together on prime time TV in the U.S. were Fred and Wilma Flintstone.

The percentage of Africa that is wilderness is 28%. The percentage of North America that is wilderness is 38%.
