## FACT OR FICTION

On Jim B's 50th Birthday, he purchased a new Corvette. He pulled off the lot and headed to Louisville.

On I-64 he was running along at 75 mph and was getting passed like he was sitting still. So he sped up to 80, 90 and 100 mph. That is when he noticed blue lights coming up behind him. Thinking "what the hell—let's see what this car will do", he went up to 110, 120, 130 and then 140 mph. Looking in his rear view mirror, the blue lights were fading fast, but deciding he may be able to outrun the cop but not his radio, he pulled over to wait for him. When the cop pulled in behind him, Jim met him behind his new Corvette.

The cop thanked him for pulling over and said if Jim could give him an excuse he had never heard before after 28 years as a cop, he would let him off with no ticket since it was Friday night, 15 minutes before he was to get off work and he had a date with a good looking blond and he didn't want to be late.

Jim thought for a second and told the cop, "MY WIFE LEFT ME FOR A COP AND I THOUGHT HE WANTED TO RETURN HER."

Jim went on to Louisville, and the cop was not late for his date.

HAPPY BIRTHDAY, SON!

## A Message From God

God looked down at the Earth and wanted to know what kind of behavior was going on. He decided to send an angel down to Earth to check it out. When the angel returned, he told God, "Yes, it is bad on Earth. 95% are misbehaving and 5% are not." God was disappointed. He decided to send a email to the 5% that were good, because he wanted to encourage them. Do you know what the email said?
